

Deliver Digital Prepaid Rebates, Incentives, & Rewards

Digital Card by CPI® is a delivery solution for card-not-present transactions that allows you to provide a convenient and seamless prepaid digital solution for immediate use at online merchants. We partner with you to deliver rebates, incentives, and rewards with a prepaid digital card, giving cardholders immediate spending power with online merchants.

Innovative Features, Real Benefits

Quick speed-to-market plus white-label customization

Real-time reporting to track card activity

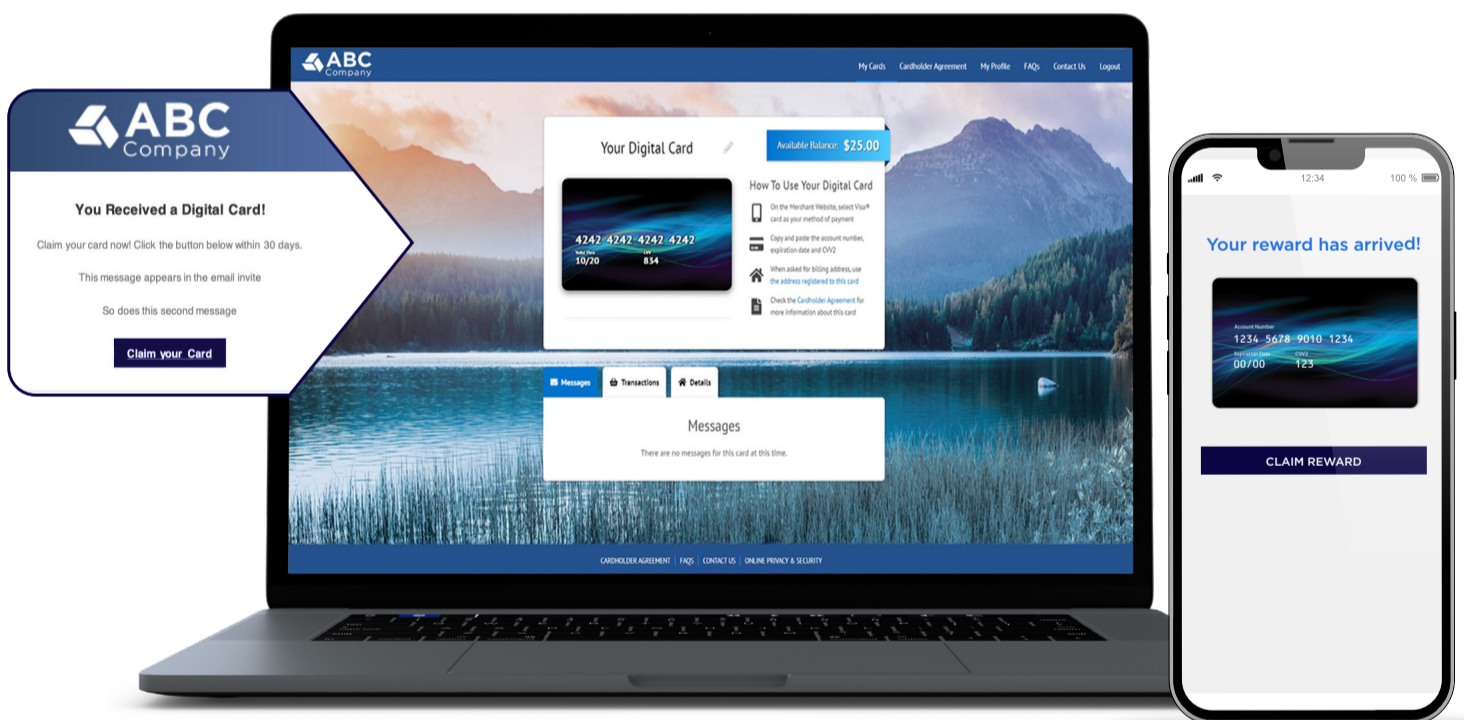

Streamlined customer experience

Customer service APIs for easy and seamless integration

Customize your recipient message with font type and color, contents in the header and footer, background, card image, and more!

Simple Implementation & Activation

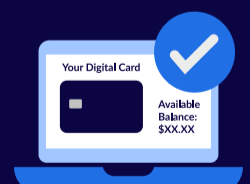

Financial institution provides card credentials to CPI

CPI sends an email notification to the cardholder

The cardholder claims the card and registers

Digital Card is activated and ready to go!
